

Introduction to the JSP

About the Program

The Junior Secondary Program (JSP) is an introduction to debating for junior secondary students that provides training in the basic skills and structure of debating, and gives students an opportunity to do three ‘friendly’ debates. The JSP runs over four nights spaced about two weeks apart, running through August, September and October. The first night of the program is a Training Round. Students begin with a 45 minute session with a trainer from the DAV who will explain the basics of making and presenting a case, and responding to the other side. The debaters will then be broken into smaller groups for workshops involving a debating exercise and Q&A session about the basic skills of debating. The remaining three nights of the JSP are debating nights, each of which includes a debate and a debriefing session, extended adjudication or exhibition debate between some of the best debaters in the country.

Outline of the nights

Our program is designed to teach your students how to debate. It will do this through high quality training incorporating debating theory but focused on practical learning, culminating in three debates.

Training Night: The initial training session will comprehensively cover an introduction to debating. This session will be supplemented by several activities which training coordinators will run in small groups.

Start Time— **Group A:** 6:00PM **Group B:** 7:00PM

Finish Time— **Group A:** 7:30PM **Group B:** 8:30PM

Round 1: This night will include a debate in front of an experienced adjudicator, as well as an exhibition debate performed in front of both groups A and B, to provide practical examples of what the students are taught.

Start Time— **Group A:** 6:00PM **Group B:** 7:00PM

Finish Time— **Group A:** 7:45PM **Group B:** 8:30PM

Round 2: This night will also include a debate, plus a debriefing from a senior DAV trainer.

Start Time— **Group A:** 6:00PM **Group B:** 7:00PM

Finish Time— **Group A:** 7:30PM **Group B:** 8:30PM
